- \*1. The study of practical questions in connection with the construction of jet planes in Czechoslovakia is now centralized at Vojensky projectovy ústav at Pilsen. Col Vilém Cormoch is in charge. It is intended to release for the production of jet planes the new subterranean shops belonging to the V.I.Lenin enterprise, now being built in the region between Dobrany and Stahlavy, south of Pilsen.
- 2. A mission of Cernoch's group also inspected the TOS factory at Zebrák, between Pilsen and Zdice and has placed a proposition to requisition this factory before the Defense Ministry.
- 3. No final decision on the matter has yet been taken by Soviet military authorities.
- 4. Vojenský projectový ústav was decorated by Gen. Cepička with the Red Flag of the Government for its work in preparing for the construction of jet planes.
